Queen & King Scholarship Coronation 2026

“Train up a child in the way he should go and when he is old, he will not depart from it.

The Prince Hall Grand Chapter Queen and King Scholarship Coronation Committee is beyond excited to celebrate our annual Queen and King Scholarship Coronation and the meaningful impact it has on our students.

The Queen and King Scholarship Coronation is dedicated to raising funds that directly support scholarships and educational opportunities for our youth. Even in the face of economic challenges, the continued support from our districts speaks volumes about our shared commitment to investing in the future of deserving students. Your dedication truly makes a difference.

The theme for this year’s Coronation is **“The Four Seasons: Copied but Never Duplicated.”** The official colors for the event are black and white. Attire may be all black, all white, or a combination of both. While not mandatory, participation in the color scheme is encouraged to promote unity and a cohesive presentation for this distinguished occasion.

Each District Patron is respectfully requested to introduce their District Queen and King during the Coronation. Please note that only Grand Supervising Deputies are authorized to submit District Queen and King information. All required information must be received no later than June 13, 2026.

The District Queens and Kings demonstrated exceptional dedication during the Heat of the Night fundraising effort. In the previous year, the established goal was \$100,000.00. Through focused effort and collective support, a total of \$139,981.95 was raised, exceeding the established goal.

For the current year, the Prince Hall Grand Chapter Queen and King Scholarship Coronation fundraising goal has been set at \$140,000.00. With continued collaboration, accountability, and commitment across all districts, this goal is attainable.

Queen + King + District = SCHOLARSHIP
